Friday 8<sup>th</sup> October 2021

## Hello Yellow

School was a wonderful wash of yellow today as children came dressed in yellow items in recognition of supporting mental health. Classes took part in a range of activities, which many have been shared on class dojo.

Thank you to everyone who has made a donation. We will be using the money raised to support mental health activities in school.

## Peer Listeners

Elaine and Mrs Denovan have been working hard to set up Year 6 Peer Listeners. A peer listener is a pupil who has received professional training to help our staff support younger children with any small worries they may have. Research tells us that young people most often turn to their friends if they are having a problem. However, not all pupils have a friend to turn to, or prefer to talk to someone away from their friends.

Children had to write an application and took part in an interview. The successful applicants will be starting their training in a couple of weeks.

## Dojo prizes

Next week we are launching a new and exciting dojo challenge.

Children will be able to exchange their dojo points for prizes depending on how many points they have collected (I am sharing more information on Dojo and ParentMail).

All children's dojo points will be reset next week and children will be able to start collecting points, which they can exchange for their chosen prize.

## Food Bank Collection

On Wednesday the 13<sup>th</sup> October, as part of our harvest celebrations, the children will be learning about Food Banks. We would like to do a collection of food, which will be taken to the Clay Cross food bank. If you are able to support this, please send your child with a food donation any day next week. There will be a trolley for your collections on the gate. Please see dojo for more information.
