

NORTH WINGFIELD PRIMARY & NURSERY ACADEMY™

Friday 17th September 2021

We have had another productive and busy week. Despite being tired, our children have been working really hard and engaging well in their class learning.

On Tuesday, staff took part in 'REAL P.E.' training. REAL P.E. is a physical education curriculum children's physical and emotional literacy. Children took part in fun activities with their class teacher and REAL P.E. visitor who was very complimentary of our children's engagement and attitudes to learning.

Online safety

Keeping safe online is an ongoing focus in school.

The hardest thing as a parent or carer, is keeping up with all of the new games, finding out the safety options and keeping track of what your child is doing.

The link below will take you to our school website page, which has a range of information that may help you to ensure that your child is safe online.

PTA

During lockdown, our Parent Teachers Association (P.T.A.) took on new and different work roles and are now unable to support us with our fundraising events. This means we no longer have a P.T.A. If you think you may be interested, have creative fundraising ideas and have some time that you could give, we would love to hear from you.

A huge thank you to our P.T.A. for all of their hard work, time and support that they gave us whilst in post.

Football match

Last night our school football team played their first football match against Park House. All the team played well and showed some super team work during the game. The team know they have a lot of work to do in their training session on Monday.

Thank you to parents and carers for supporting the match and to Miss Shepherd for giving up her time to support the team.

Attendance

| | | |
|------------|-----|-----------------------------------|
| Y2F | 99% | Expected Attendance |
| Y4/5 K | 98% | Expected Attendance |
