

Thankfully, we have had most staff back this week. The rates of COVID seem to be hitting local schools like a wave with some already having had many cases and others who are only now being hit by it all. Despite the Government making changes to procedures and restrictions on a regular basis, we are continuing to try and be as safe as we can.

Thank you to all of you who have supported us with testing your children when notified of cases in your child's class. The advice if your child is ill but tests negative on a lateral flow is to get a PCR test. We have had children who are negative (and ill) on a lateral flow, but when tested on a PCR are positive.

Art Week – Light and Dark  
Next week we have plans for a whole week of art activities around the theme of light and dark.

Your child will be developing their art skills alongside their peers and working each afternoon towards a final piece at the end of the week.

### Highway Code Changes

You may have already seen on social media that there have been some highway code changes, however, I thought I would share for those that have missed it.

<https://www.gov.uk/government/news/the-highway-code-8-changes-you-need-to-know-from-29-january-2022>

### Bikeability

Letters were sent out to children in KS2 offering the opportunity to take part in bike ability activities. Wheely Fun Wheels is a Bikeability scheme registered with the Department for Transport and provides training for children around safe riding when out and about.

Due to the high interest from children, we will have to offer places on a first come first served basis. If your child is not successful on this occasion, there will be further opportunities in the future.

Attendance		
Y6K	99%	Expected Attendance
Y4/5K Y2F	97%	Expected Attendance
RecP	96%	Expected Attendance
Y5/6C	93%	Risk of under achievement
Y1D	92%	Risk of under achievement
Y1C, RecM	91%	Risk of under achievement
Y3/4G	90%	Risk of under achievement
Y3/4M	88%	Serious risk of under achievement
Y2M	85%	Serious risk of under achievement
