

NORTH WINGFIELD PRIMARY & NURSERY ACADEMY™

Friday 11th February 2022

We have had a busy few days with art week and also focusing on Safer Internet day, which was on Tuesday. Next week is our last week before we break up for a week's half term. Children will finish at the normal times on Friday 18th February.

Art Week

This week our children have spent each afternoon taking part in a range of art activities focusing on the theme light and dark. The range of work has been amazing to see.

LIGHT
DARK

Online Safety

This week, children have been talking and learning about how we keep safe online. Our children are already so knowledgeable, however, it is so important to keep talking to them and ensuring we are updated as things progress and change. Click on the link for more information

Mental Health Week

Next week we will be taking part in a range of supportive mental health activities. We are celebrating this national event a week later due to art week and Y6 SATs practice. The theme this year is 'Growing Together'. Below is a link to some activities and ideas.

Pledges

As we near the end of this half term, we are gathering evidence towards our class pledges. We are focusing on resilience this half term.

Children can send in a video, bring in certificates or a picture of what it is that has made them proud. They will be given time next Friday to discuss this. Please note, we need the evidence to sign this off on their pledge. Thank you.

Attendance		
Y5/6C, Y4/5K	97%	Expected Attendance
Y3/4M, Y2F	96%	Expected Attendance
Y6K	95%	Concern of under achievement
Y2M, Y1C, RecM	94%	Concern of under achievement
