

## World Maths Day

This Wednesday we supported World Maths Day by completing a wide range of maths activities and challenges across school.

Our children followed the theme from the story book 'One is a snail, 10 is a crab. The range of work completed from Nursery to year 6 was great to see both in class and on class dojo.

## Winding wheel

Our Year 3 children were amazing this week when they performed their group dance at the Winding Wheel Dance Festival. They have worked really hard over the last few weeks and made staff and parents very proud.

## Collecting Children

If you are sending older children to collect a younger child, they must be at least 16 years old.

Unfortunately, we will not be able to let your child leave if the child collecting is not yet 16.

## Peer Listeners

Our group of peer listeners completed their training this week so will now be able to start supporting our KS2 children. The 8 year 6 children are being supported closely by Mrs Denovan and Elaine Wright.

## Collecting early

We have had a number of children collected early recently. If you have an appointment and you do not have anyone else to collect your child, please can you let the office know at least the day before.

## World Autism Week

Next week we are supporting World Autism Week. Children will be taking part in a range of activities to develop their understanding of the different elements of living with autism. I will be sharing images of work and activities completed.

Attendance		
Rec P, Rec M	95%	Expected Attendance
Y1 C, Y2F, Y2M	93%	Risk of under achievement
Y5/6 C, Y6K	92%	Risk of under achievement
Y3/4G, Y4/5K	90%	Risk of under achievement
Y1D	82%	Serious risk of under achievement
