### National Bank Holiday

Next week is a four-day week due to there being a national bank holiday on Monday. Children will start their school week on Tuesday.

### Parents Evening

It was great to see so many of you at parents evening this week. It felt like life used to. Please contact your child's class teacher if you were unable to attend or you have any further questions.

### Pants socks and uniform

We are running very short of spare pants socks and trousers for children who need a change of clothes. If your child has borrowed clothes and you have not yet brought them back to us, please can you do so as soon as possible. Also, if your child has grown out of any pants, socks or uniform, we will happily take them off your hands.

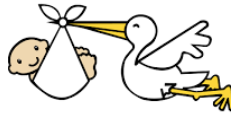

### Water bottles in Class

I would like to say a huge thank you to parents and carers who send their children with water bottles to have in class. Drinking adequate amounts of water regularly throughout the day can protect health and contribute to well-being; it can also help prevent a range of short and long-term health problems from headaches, bladder, kidney and bowel problems. The reason we have the policy for water only in class is that water has none of the health problems associated with drinks containing sugar, additives, sweeteners, acids or caffeine.

### Good Luck Miss Gudgin

Miss Gudgin finished work today to start her maternity leave before she has her baby. I'm sure those of you who have recently seen her know that she looks more than ready to put her feet up. We wish her lots of luck and can't wait to meet her new baby.
