

# NORTH WINGFIELD PRIMARY & NURSERY ACADEMY™

Friday 20<sup>th</sup> May 2022

It has been a very busy week but we have made it. Next Friday is the last day of term before we break up for a week. Children will be in school on the Friday and will finish at the normal times.

### Coffee Morning

Next Friday, Mrs Denovan is holding a coffee morning in the hall. There is no cost for tea, coffee or cakes, Mrs Denovan just wants to be able to offer the opportunity to have a chat and a catch up as it has been over two years since she has been able to hold one.

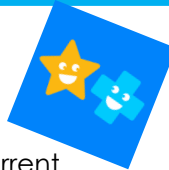

### Platinum Jubilee

Next Friday we will be celebrating the Queen's Platinum Jubilee. The children will be having a 'street party' lunch as part of the celebration. Children and staff can dress in red, white and blue. In the afternoon we would like all children to take part in jubilee activities in their classrooms.

### Doodle Maths

After the half term holidays we will be launching Doodle maths as our maths homework tool for Years 2 - 6 where children will be able to practice their current learning. There will be certificates on offer for children who show the most effort every week and there will be a trophy for the class that achieves the best effort.

### Football

On Tuesday our football team went and played against cluster football teams.

Unfortunately, some of you raised concerns about the kit and the fact none of it matched. We were informed we were late; however, Miss Shepherd has spoken to Qualitas as they gave us a time to arrive. We apologise for any upset caused and of course want to represent North Wingfield in the positive manner it deserves.

Senior staff have met and we have also spoken with Governors. We now have a Governor who is very interested in supporting our team (football and coaching experience). We also have a member of staff who has a good knowledge of football and would fully support our children.

### Mini Tennis

Next Friday, Y2M have been invited to take part in a mini-tennis tournament at Graves Park

### Orienteering

This week, staff took part in orienteering training in order to have the skills and knowledge to incorporate this into our P.E. lessons. Watch this space.
