

NORTH WINGFIELD PRIMARY & NURSERY ACADEMY™

Friday 23rd September 2022

We have had a number of after school clubs starting this term (bench ball and trampolining). Unfortunately, we do have some disappointed children due to space restrictions. We will be keeping track of clubs to make sure all children have an opportunity to take part at some point.

Parents Evenings

Our Parents Evenings will be held on Wednesday 5th October and Thursday 6th October.

Our sign-up system is via ParentMail (except for Nursery). We can only offer one appointment per child due to time and availability.

Head Lice

With the start of the new year and welcoming everyone back, we unfortunately have addition guests that are not welcome.

Headlice are a negative part of childhood for some and as a parent we need to be vigilant on a daily basis to check our child's hair (children can get them in secondary school too).

Head lice are small insects, up to 3mm long. Head lice eggs (nits) are brown or white (empty shells) and attached to the hair. The life cycle of the head louse has three stages: **egg, nymph, and adult**. Nits take about 1 week to hatch (range 6 to 9 days).
