

### Christmas Performance Tickets

Mrs Lester sent out the ticket request forms this week via ParentMail. Due to fire regulations, we have to limit tickets to two per family (not two per performance).

You have until the end of the weekend to request tickets. As we need to manage all requests, the ParentMail message went out to one parent only; if your child lives between you and their other parent, please can you let the other parent have the chance of seeing the performance too.

### WhatsApp and More

We are currently having a number of issues with our older children setting up online group chats. We appreciate our children are going to want to keep up with their peers and be part of the online community, however, we have seen a number of concerning messages which include verbal threats, targeting of individual children and inappropriate language.

Please can I ask that you check your child's phone regularly (if you don't already) and support us in teaching our children about not feeling pressured to be part of a group, being respectful to each other, not feeling they need to follow online challenges, and also reporting any concerns to an adult.

### Energy Drinks

The latest fad for our older children is the Prime drinks (pictured). As we cannot check all drink bottles, please can you make sure your child does not bring drinks into school in any energy drink bottles. Thank you for your support and understanding.

### Graves Park

Yesterday morning Mrs Morris' class had an amazing time taking part in a gymnastics tournament at Graves Park Leisure Centre. The children had the opportunity to swing on the bars, trampoline, balance on the beams and jump in the foam pools.

Thank you to the volunteers who supported this trip and also to Qualitas for putting this event together.
