

## Christmas Jumper Day

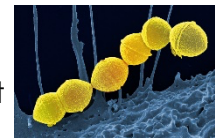

Next week (Wednesday) we will be having Christmas dinner (for those children who have school dinners and for those who have ordered one). We are inviting all children to wear their Christmas jumper with their uniform if they would like to. Please do not go out and buy one specially.

We are also inviting children to wear their Christmas jumper on the last day of term (**Thursday 22<sup>nd</sup> December**)

## Group A streptococcus (GAS)

GAS is a common bacteria. Lots of us carry it in our throats and on our skin and it doesn't always result in illness. However, GAS does cause a number of infections, some mild and some more serious. The most serious infections linked to GAS come from invasive group A strep, known as iGAS. These infections are caused by the bacteria getting into parts of the body where it is not normally found, such as the lungs or bloodstream.

## Dogs on the Premises

We are still having conversations with parents/carers about bringing dogs onto the premises. Dogs (whether walking or being carried) are not allowed on the school grounds. Please support us in keeping everyone safe and respecting our school policy.

## Christmas Performances

Next week we have all of our Christmas performances taking place. You will need to bring your ticket to all performances (this is different for Nursery children) in order to come into school.

Unfortunately, we have a number of children who cannot have their photograph taken which means you **will not** be able to take pictures of the performance. Thank you for your support and understanding.
