

'Pride in learning together'

Friday 16th December 2022

Christmas Performances

We have had a week of amazing performances from our children. This is the first year since the pandemic that we have been able to have parents and carers in school and it has been great for our children to share all of their hard work.

Thank you to all parents and carers who have supported our children with learning their lines and songs. Also, a huge thank you to all staff who worked very hard to put all of the different performances together.

Early finish

This year we are offering the opportunity for your child to finish school at the earlier time of 1:30 on Thursday 22nd December. We appreciate that many of you work and will not be able to collect your child. A number of children will be remaining in school until the end of the day so please do not worry if you cannot collect after lunch.

If you are collecting your child early, please make sure you have let your child's class teacher know. Children will be leaving school via the normal exit routes.

Christmas Jumper Day

On the last day of term, next week, children are invited to wear their Christmas jumpers again. This isn't a non-uniform day and we ask that children attend school in their uniform with their Christmas jumper.

Can I also remind you that children with long hair need to attend school with all of their hair fastened up as stated in the uniform policy.

Device Safety

We know a number of children are looking forward to the possibility of getting new technology for Christmas. With that comes the challenge of making sure our children are safe online. Below is a link from internet matters which provides advice, guidance and links to additional information for keeping safe online.
