

I never thought I would be writing a Friday newsletter whilst stuck at home due to the snow!

I apologise if the school being closed has caused challenges for some of you. As I said on Class Dojo, closing a school is always a last resort.

### Attendance for the week beginning 27.02.23

Y3K	98%	Expected Attendance
Y6Ke	97%	Expected Attendance
Rec P, Y4H	96%	Expected Attendance
Y2F, Y6Ki	95%	Concern of under achievement
Y1C	94%	Concern of under achievement
Rec M, Y1D, Y5C	93%	Risk of under achievement
Y5D	91%	Risk of under achievement
Y2M	89%	Serious risk of under achievement
Y3M	88%	Serious risk of under achievement

### Industrial Action

The NEU have planned two days of industrial action on Wednesday and Thursday next week.

The following classes will be open:

- Y2m
- Y2F
- Y3M
- Y6Ki
- Y6Ke

It is important that if you have more than one child, but only one child's class is open, the child whose class is open still attends school.

### Parent Questionnaires

Next week I will be sending out questionnaires to gather your feedback. The aim of this is to understand your views on what is going well and what needs to improve. Your views should be about how things are now, nothing historical (more than a year ago).

If you have a large concern, the questionnaire won't resolve it as it will be anonymous. Thanks in advance.

### Science Week

Next week will be British Science week. Miss Dilks, our Leader for science, has planned a busy week including some parent visitors talking about the jobs, watching live experiments and also taking part in a number of science activities. Keep a look out on Class Dojo for work completed by your child with their class.

10-19 March  
British Science Week 2023

### Book Fair

Unfortunately, the poor weather has resulted in a day less with the book fair. Mrs Partridge has contacted the company to rearrange a pick up for the books. We may manage another day and will let you know as soon as we hear back from them.

### Fire Service visiting Y2 and Y6

Next Wednesday we will be having visitors from the Fire Service working with Year 6 and Year 2 children. Children will learn all about fire safety, the risks of fire and also how to stay safe.

Derbyshire  
Fire & Rescue Service

All learning will be at an age appropriate level. More information can be found at <https://www.derbyshire.gov.uk/community/schools>
