

Well Done!!

This week our Year 6 children have worked extremely hard sitting 6 SAT's papers. The children have shown amazing commitment and hard work in demonstrating all they have learnt over their years through primary.

A huge thank you to our Year 6 team who have gone above and beyond in supporting our children through their daily lessons and boosters. The children's next steps will be to finish working on their writing skills in order for class teachers to assess and submit the data to the Primary Assessment Gateway before all SATs results are published on 7<sup>th</sup> July.

Chemistry at NWPNA

On Wednesday afternoon, Y5 took part in a brilliant chemistry workshop led by visitors from Worksop College. The children loved watching the experiments and taking part! There were some seriously loud bangs and chemical reactions.

Road Safety

Year 2 had a special visitor on Tuesday who shared pictures and videos all about Road Safety. The children were shown how to cross roads safely and were also advised about safe places to cross. It is also important that our children are mindful of drivers on the road and don't assume they will be looking out for them.
