### Santa Dash

Next Friday morning our children will be taking part in a Santa Dash in the school grounds. Children will be running or walking laps around the yard and courts for 25 minutes.

The event has been organised by SHAPE Learning Partnership SHAPE (representing Sport, Health Activity, and Physical Education).

### Christmas Performances

Thank you to everyone who came to watch our Christmas performances and supported with costumes. All our children did amazingly well with their singing and speaking and were so brave to stand up in front of so many grown-ups.

A huge thank you also to all staff for their hard work in putting the performances together and giving our children the confidence to get up on the stage.

### Online Safety

This week we have had more concerning information about platforms and groups that our Year 5 and Year 6 children are accessing.

There are several free apps that help you monitor your child's communications and downloads on their phone, however, the best advice I could share with you is to check your child's phone at least every other day and if your child asks for an app to be put on their phone and you don't know how the app works either research the app or say no.
