

Capital One Assembly

On Monday we will be having a visitor from Capital One coming in to chat with the children during assembly about how she uses math's in her job.

Our visitor will then spend some time with some of our children in class.

Egg Decorating Competition

Miss Hallam has shared information inviting children to take part in a special competition where children are invited to decorate an egg!

It will be £1 to enter and you can use whatever materials you like. Children are asked to bring their creations and £1 to the main office by Thursday 2nd April.

The eggs will be judged by a school governor and the winning entry from each class will win an Easter egg.

Aspirations Day

Myself and Mr. Casey have been thinking about Aspirations Day and have researched some of the top jobs Primary children aspire to have.

Some of the jobs include, doctors, police, firefighters, sports people, vets, teachers, scientists, artists, armed forces and more.

For our Assembly on Aspirations Day we are hoping to invite people into school who have some of the above jobs to talk to our children about their career. If you have any of the above jobs and would be willing to talk to the children, please contact me via Class Dojo.

Mother's Day Hampers

Our Fundraising Team have been busy putting 4 beautiful hampers together for Mother's Day.

Thank you to those of you who have purchased raffle tickets. There is still time to get tickets which are available from the main office.

Unfortunately, we are unable to host Mother's Day meals in school this year due to the changing over from one food provider to another.
