

## 'Pride in learning together'

### Aspirations Day

We have had a fantastic day sharing our career aspirations and also talking about possible job roles. Children have also explored skills that different jobs require.

### Safeguarding

If you enter school premises during the school day to bring or collect your child or you are coming in to speak to the main office; please make sure you close the pedestrian gate after yourself to ensure our site is kept secure at all times.

Please keep the **GATE CLOSED** at all times during school hours

### Opal

We have finally managed to start the next step of our Opal journey as we now have our first outdoor storage shed specifically, for Opal resources.

This will help massively with staff time as a lot of our resources are still stored inside.

### School Crossing Update

We have finally heard back from the Council regarding their traffic survey on the road outside school. Unbelievably, they have deemed the road safe enough and will not fund a Crossing Warden going forward.
