

## 'Pride in learning together'

### End of Year Reports

Staff have been busy writing your child's end of year report. Reports will be sent out via Arbor on Friday the 17<sup>th</sup> July. If you have not yet managed to connect to the Arbor App, please make sure you speak to the office staff in a morning who will be able to help with this.

### Colour Run

Next Friday, Reception to Year 6 children (only if permission given) will be taking part in our exciting colour run event. Children should wear clothing that you are happy to get covered in coloured powder (a white t-shirt is recommended). All children must also wear eye protection. I have pinned the post to the top of the school dojo story page for further details. Please note, this is an in-school event only.

### Arbor

All communications, payments, trips, logging absences are now through Arbor. If you still have the ParentMail App, you can now delete it as it is now no longer connected to our school.

The reason for the change is that all schools have now moved to Arbor for registers and contact details and Arbor has payment facilities, whereas our previous system did not.

If you are still having difficulties with the Arbor App, please call into the main office in the morning and staff will be able to help.

### Transition Event

Our children have two weeks left in their current class. During the last week which is 4 days (the week beginning the 20<sup>th</sup> July), our current Reception to Year 5 children will be spending that time with their new class teachers (Our current Year 6 children will be taking part in a range of activities and preparing for their leavers assembly).

## Transition Week!

Please read the information which has been shared on Class Dojo for further information.
