

'Pride in learning together'

We are getting into the swing of things again as we complete our second week.

Many classes have managed to get stars in their class jar and most classes have had great attendance since returning to school.

If your child has an appointment, bringing them in for their morning mark and then collecting them again means they do not lose their mark in the register.

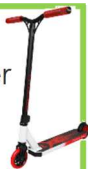

Last Week's Attendance

Y2B/R	100%	Expected Attendance
Y1B, Y3F, Y3H	99%	Expected Attendance
Y2S, Y4G, Y5K/S, Y5K	98%	Expected Attendance
RecP	97%	Expected Attendance
RecD, Y6D, Y6C	96%	Expected Attendance
Y1D, Y4K	94%	Concern of under achievement

Bikes and Scooters

Many of our children like to bike or scooter to school. We have a designated area where children can leave their bike/scooter.

Please can you make sure that your child does not ride their bike/scooter anywhere on the school premises. We have a busy school site and want to keep all children (including younger siblings/toddlers) as safe as we as we possibly can. Thank you for your support.

Peer Listeners

Last week, myself and Elaine Wright (School Counsellor) spent two wonderful afternoons working with and training this academic years Peer Listeners. Our Peer Listener Team is made up of Year 5 and 6 children who have learnt about their important role of listening to our KS2 children, being empathetic and respecting confidentiality.

Our Peer Listeners role is literally to listen to others who have a worry to share. They understand that they are not there to fix other children's problems. All of their work is overseen by myself and Elaine.

Coughs and Colds

As we return to school at the start of a new school year, it is inevitable that we start with coughs and colds. A child is still able to attend school if they have a cough and or cold and would only need to stay at home if they are lethargic and medicine is not bringing their temperature to a normal level.

For safety reasons, cough sweets are not allowed. All medicines must be prescribed.
